Title: In Vivo Raman Endoscopic Probe
Atty No. 2305/40820/1

SUPPLEMENTAL DECLARATION AFTER ALLOWANCE

I, Haishan Zeng, whose residence and citizenship are noted below, and whose application for Letters Patent of the United States for an invention entitled:

In Vivo Raman Endoscopic Probe

was filed in the United States Patent and Trademark Office on 21 January 2004 and assigned Serial No. 10/761,703, and a Notice of Allowance for which was mailed on 17 March 2008, declare that I believe that I am the original, first, and sole inventor of the subject matter for which a patent is sought on the said invention, as set forth in the specification as finally amended and claimed in the claims as finally allowed in said application, a copy of the allowed claims having been provided to me; I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as finally amended and allowed; and I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

I declare further that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Inventor's full name: Haishan Zeng
